

**NORTH LAWNDALE LEARNING & FAMILY CENTER /
LEGACY CHARTER SCHOOL**
3300 W. Ogden Ave., Chicago, IL

This beautiful new 150,000 SF education/social services campus, employing state-of-the-art technology and energy saving efficiencies will provide education opportunities for more than 1000 children and quality of life support to North Lawndale families.

Revere Properties Professional Consulting services for this \$50M project include:

- Assist in developing/evaluating architectural, site and engineering plans, facility management strategies and providing recommendations for project success based on analysis and evaluation for all aspects of the project from development through occupancy.
- Provide advice and assist with site evaluation, budget development, preparation of construction schedules and assist in the selection of appropriate service and/or equipment providers.
- Assure compliance with City of Chicago zoning, building and business licensing ordinances and applicable development regulations.
- Preparation of various reporting for development feasibility, municipal development applications, construction reporting and field inspections, payout analysis, budgets, schedules, cash flow analysis, etc.
- Administration, preparation and evaluation of bids, contracts, and agreements issued or received.
